

## Project : Le Lieu du Design

Lieu: Paris, France

Référence: Be Easy Phantom Grey U507 Dalles

Created in 2009, Le Lieu du Design is a place of dialogue and exchange, aiming at making industrial design and eco-design a major asset and a center of excellence.

Central role in the development of many economic sectors, design is based on a multitude of talents, recognized signatures and also many creators whose work deserves to be better valued.

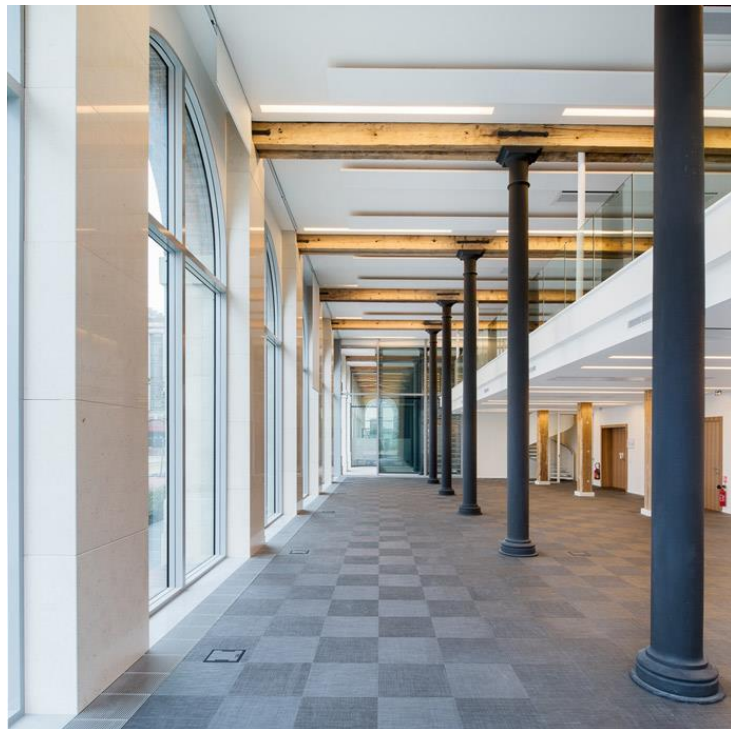

Le Lieu du Design provides access to resources and unites the energies of students, researchers, manufacturers, consumers... Its exhibitions, documentation center, conferences and trainings have already received over 200 000 visitors.

Unique platform for meetings and ongoing exchanges, Le Lieu du Design has chosen Dickson Flooring Be Easy Phantom Grey to adorn showrooms and conference rooms within its premises.
