

## Project : Samsung headquarter- Lunch room/ Staff recreation room

Location: South Africa

Reference : Tiles Be Easy  
Phantom Grey BEA U507 D50

Samsung's philosophy is simple : devote its talent and technology to create quality products and service for everyone. To achieve this, Samsung gives great importance to its technology, but even more to its employees.

The work environment is an essential pillar to its team's efficiency, so it was only natural that Samsung chose the **Dickson flooring Be Easy Phantom Grey** to renovate the reception, the relaxation area and the cafeteria of its offices to create a warm atmosphere, that enables the creativity of each of its workers.
