

Project : Tetris

Location: Spain

Reference: Be Easy Moon Shadow U509 Tiles

Tetris is a leader in Design and construction specialist 'turnkey' projects for offices, shops, hotels and industries. Founded in Spain in 2006, Tetris is now present in over 18 countries and has participated in more than 2,000 projects for the largest companies in the world.

Constantly improving the comfort of the workspace, customer satisfaction and innovation are the driving force of this company and it is natural that they chose Dickson Flooring as floor covering in their new offices Madrid in 2015. Thank you to ONSPACE for this beautiful project.
